Sir:

Applicant requests a Corrected Filing Receipt in view of an error in the original filing receipt. More particularly, the Title of the invention contains a typographical error. A marked-up copy of the filing receipt showing the error in red ink is attached for the convenience of the Office.

Issuance of a corrected filing receipt showing the correct title is requested.

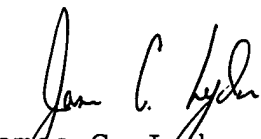

It is not believed any fee is payable for issuance of a corrected filing receipt because this error occurred due to Patent Office mistake, as demonstrated by the attached copy of the Inventors' declaration. Nevertheless, the Commissioner is
